All -- our honor's law clerk, Fares, has done a tremendous job in formatting our citations and adding documents to the sharepoint site. He'll join us on the team call on Monday.

A big THANK YOU to Fares!

Best,  
Lynne

Lynne,

On a slightly more triumphant note, I went ahead and bluebooked most of the record and uploaded the documents denoted with your name. Note that the footnotes flagged with a ✓ have been Bluebooked completely, but those denoted with a X have not. Some of the footnotes also include notes from me (in green).

If I didn't bluebook a source it was either because 1) I didn't have access to the document and couldn't figure out what type of source it was or 2) it wasn't clear that the document was going to make the final cut and wasn't yet uploaded to the SharePoint. I'd be happy to take another pass at the record once Andy has made a call about the sources in FNs 34-47.

Hope this helps. Let me know if there's anything else I can do to help on this!

All the best,

Fares

Hi all -- an update on the item that was assigned to me (#14 -- GIS Team Sampling Results)

- This A. Hartten citation was included as #8 in the 2006 AR index and was bates stamped as EPA00062-EPA00071.

What else can I help with -- anyone having trouble finding something?
